Presented by Helen Mesoloris, JD, Elder Law Attorney and Partner
Dutton Casey & Mesoloras, Arlington Heights, Chicago, Naperville & Skokie

If the only certainties in life are death and taxes, then one of the major uncertainties is how our lives will play out. We all hope to live with excellent physical and mental health, but we should prepare for the possibility that we might become ill, disabled, or lose cognitive function. This program will explain how the proper advanced legal planning can help ensure a smoother and safer journey.
