

IN RECOGNITION OF WORLD ELDER ABUSE AWARENESS MONTH WE PRESENT:

DON'T BE A VICTIM

A DISCUSSION WITH PROFESSIONAL ADVOCATES

Regardless of who we are - wealthy or poor, under-educated or highly educated, well known or not - we are all at risk of being a victim of scams and being financially exploited. The list of possibilities seems endless – be it family members, people calling and asking us to send money to help our grandchildren, or people coming to the door offering free home inspections. Attend this program to learn tips for protecting yourself, legal remedies available to victims, and much more!
